Parent Helpers Needed

Dear Parents / Carers,

At King Edwin Primary School we welcome parent helpers and there are many and varied opportunities across the year which benefit tremendously from the input of parents. (If you do wish to help in school on a regular basis then you will need to apply for a DBS check – we can help with this).

Further information and guidance for parents and other helpers: [Information and Guidance for Parents and Other Helpers](#) is available on our website. We also have a Parent Helper and Volunteer Agreement, to read: [Parent Helper and Volunteer Agreement](#) also available on our website.

Parents are actively encouraged to come into school each week to listen to children read. It is great to see both mums, dads and grandparents doing this. We are so grateful and the children really like seeing their family members doing this in their school.

Extra Curricular Activities As part of our extra-curricular provision we offer a variety of sports and other clubs after school and at lunchtimes. If you are a Qualified Coach and could help run a club, please contact Mrs Armitage, SBM, via the school office.

Curriculum Enrichment Each year we hold special weeks and days which are linked to our school development priorities. We publish details of these events in our newsletters. If you wish to volunteer for such events, please contact the school office.

School Visits When a class goes out on a school visit, we ask for parent helpers to accompany the children. Class teachers will ask for volunteers when they write to parents prior to the trip. Please contact your class teacher if you wish to help.

Please note: it is not always possible to take every parent who wishes to accompany a school visit. Class teachers are responsible for finalising the list of parent helpers and may prioritise working parents who volunteer, as they cannot always be available to help out in school. We do not ask parents to accompany us on residential trips.

Special Skills If you are a parent or carer at KEPS and have a special skill or talent - please do let us know. We may ask you to come in and talk to the children about it.

If you wish to volunteer for any of the above opportunities please see your child's class teacher and complete the expression of interest slip below. We are looking forward to welcoming you into our school in the near future.

Kind Regards
Mr Callaghan-Wetton
