Dear Parent/Carer,

As part of the transition process to Secondary Education, Medan Academy would like to invite your child to their Year 5 'Fun Learning' science event at Medan Academy on Thursday 24<sup>th</sup> May, 2018 from 8:30am until around 12noon. Students will be accompanied and supported at the event by representatives from King Edwin Primary School and buses have been arranged to transport students to Medan Academy. The bus will return students to King Edwin in order for children to have their lunches.

Throughout the event, students will be working in three small groups (pre-determined prior to the event), participating in a number of science workshops/activities.

We politely ask if your child could be at school for around 8:10am on the morning of the 24<sup>th</sup>, so we have plenty of time to toilet etc before departing for Medan at 8:30am.

As this event is during the school day, we do not require permission, but if you do have any questions/queries, please do not hesitate to ask one of the class teachers.

Your child may not be attending Medan Academy, however, experiencing any Secondary School context is vital experience for children during the transition process. And at this time, Medan is the only school offering such activities...

As a team, we thank you for your continuing support and co-operation,

Many thanks,

Mr Anthony Bandy  
Apple Teacher with Swift Playground recognition  
Assistant Head Teacher  
King Edwin Primary School
