## Year One Educational Visit

Dear Parents and Carers,

We are pleased to announce that our visit to Yorkshire Wildlife Park will be going ahead on Wednesday 23<sup>rd</sup> May. Thank you to those families who have paid in full. If you are still due to make your payment and give consent, please do so as soon as possible via the School Gateway.

On the day of the trip children will need to come dressed in uniform as normal. As the visit will involve lots of walking, children may wear alternative, comfortable footwear such as trainers, no open toe shoes please.

Yorkshire Wildlife Park is an outdoor attraction, therefore we will be outdoors for the majority of the time, whatever the weather has in store for us. Children will need to come prepared for all possibilities and will be expected to wear or carry the following in their own backpack: **Coat, hat, sun cream and water bottle.** The rucksack the children bring will need to be clearly labelled with their name and be big enough to fit their lunch in, whether this be provided by school or home. There is nowhere for us to store bags and lunches, so the children will be responsible for carrying their own belongings.

Please arrive at school for 8:50am, Early Bird reading will not take place but you are welcome to enter the classroom with your child to help them put their lunch in their bag should you wish to. We are due to be back at school by 3pm, so the children will need to be collected from the classrooms at 3:15pm as normal.

We will not be visiting the shop, so children are not required to bring any money on the visit.

Please do not hesitate to contact us if you have any queries, fingers crossed for sunshine!

Regards,

Year One Team
