## **Question of the week**

Which foods in the supermarket come from a farm?

We will be looking at a shopping bag and discovering that every item of food that we buy originates from a farm somehow.

A farm shop will be set up outside. If you have any real vegetables that you could donate for this, please send them in.

## **Water Bottles**

There are a number of children that have not been bringing in their water bottles. Please ensure that your child has their water bottle in school **every day**. It should be filled with **water only** please.

## **Maths**

F1- number of the week 6  
F2- counting reliably and solving subtraction word problems.

## Literacy

We will be looking at packaging and the variety of labels. Could you please bring in any boxes, packets, cartons and bottles you may empty this week.

## **Forest Schools**

Lion's class will be making beans on toast. The children will be toasting with a toasting fork.
