Dear parent/carers,

Our school is holding its very own Race for Life event for Cancer Research UK and we are getting all children involved to join the fun.

Our children are the generation that could see ground breaking treatments and cures for cancer in their lifetime. They're the rising stars who could be the researchers and lifesavers of tomorrow. By taking part in Race for Life and uniting against cancer, they'll be doing something really special!

Children will complete the Race for Life throughout the week commencing 9th July. Foundation and KS1 children will complete five laps of the field (1 mile) and KS2 children will complete 7 laps. They will be free to walk, jog, skip or complete as they please and take breaks if needed. Then once they cross the finishing line, they will receive their very own Race for Life medal.

We are asking for you to sponsor your child for this worthy cause and we will be splitting the donations between Cancer Research UK and our school fundraising for new outdoor equipment. The sponsorship form does say the event date was the 11th June, however we changed this to the 9th July so please just ignore this. Your child will be bringing the sponsorship form home.

If you have any questions come and see Mr Lewis, Mr Unwin or Miss Roy.
