Dear Parents/Carers,

This half term, as you know our topic is 'Transport'. We have kick started this by looking at present day transport and compared this to transport from the past and how it has changed and not forgetting our trip to Crich! We would like to have a 'Wheels Day' which we are very excited about! On **Friday 20th July**, we would like all the children to bring one wheeled vehicle of their choice into school. This could be a scooter, a pair of roller skates/blades, toy vehicle, remote control vehicle, bike, etc. Throughout the day, we will be describing and labelling parts of our vehicles as well as sketching them and of course using them!

The children will be able to bring their vehicles into the classroom and leave them in there throughout the day. Bikes and scooters can be left safely just outside the classroom until needed. It would be extremely useful if all vehicles could have a discreet label on them. Of course if your child wears protective clothing such as a helmet or kneepads, these will need to be labelled as well. From past experiences, the children have thoroughly enjoyed these occasions and they learn a great deal from them.

Thank you for all your continued support, it is very much appreciated. We're sure you will hear a lot about our fun day! Please do not hesitate to ask either one of us if you have any queries.

Year 2 team
