Set in 330 acres of beautiful North Nottinghamshire woodland, we are a proudly broad-ability school, yet we boast some of the best results in the region.

Couple that with a multi-million pound programme of investment, plus some of the best facilities in the country – and there's never been a better time to join us.

- **All-inclusive fee structure and extended day available**
- **New Sixth Form Centre - with dedicated personal tutors for A level**
- **Extensive extra-curricular programme**
- **Enviably pastoral system, with dedicated Junior House**
- **Extensive transport network, covering Yorkshire, Nottinghamshire and Lincolnshire**
- **Generous bursaries and scholarships**
- **Excellent value-added academic results**

Meet current parents, key teaching staff and tour the school with one of our students – offering the opportunity to ask questions about what it really means to be a pupil at our school.

Refreshments are available, there is ample parking and all members of the family are welcome.
