Dear Parents/Carers,

## Doodle Maths Weekly Challenge

I am happy to announce that as of this school week, our Doodle Maths leader boards and all children's accounts should be back up and running as usual. Unfortunately, due to complications with their servers and app updates, Doodle Maths have been unable to provide their leader boards and some other services. However, from this week the children should be able to access their accounts as usual and continue to try to earn as many Doodle Maths Stars as possible.

This year, we are adding further incentives to our children to be 'Top Doodlers' by introducing our three top-placing Doodle Maths trophies. These trophies will be presented to the children at the end of the week, in achievement assembly, for the three children who have received the most stars that week. The children will keep the trophy for the week, before handing it back in to be won again the following week.

Additionally any children who manage to finish in the top three will have their names 'put in a hat' for a chance to win tickets to i-Jump. A name will be drawn each half-term and the winner will receive a ticket for an 'Open Jump' session.

We appreciate that some children are still having difficulty with their accounts and we have passed on this information on to Doodle Maths, who have sent a letter addressed to all parents explaining what you should do to help fix any problems with children's accounts, including problems with loss of a Doodle Maths streak. Please find attached this letter and let's get Doodling!

Sincerely, Mr Purrington

Maths & Science Co-ordinator.
