

# Foundation Stage Newsletter Week 8<sup>th</sup> October

Baking starts this week. Please remember to pay via the gateway app to help us to fund this.  
 Reading sessions are going so well and we are proud to announce that some children now have green words in their education packs after completing their red and blue word cards. Please remember that your child needs to be able to read them by sight. We use flash cards to assess the children as opposed to the packs themselves as they often memorise the position of each word on the sheet. Maybe you could write each word and see if your child can read them and mix up the order.

Don't forget to write in the reading diary if you read at home.

## This Week's 'High Five Challenges'

### Respect

Ensuring our bags and coats are put away tidily and nothing is left behind at the end of each day.

### Creativity

Constructing skeletons, placing internal organs onto bodies and making faces with materials.

### Determination

Learning tennis skills after lessons from Mrs Poole this week.

### Excellence

Recognising and ordering numbers to 20... and beyond.

### Good Choice

Eating our healthy snacks each day and drinking water from our water bottles.
