

Foundation Stage Newsletter Week 10th December

WOW!

The Nutcracker performances were amazing. The children were true kingedwinners, such confidence and professional. It was lovely to see so many children performing with pride in front of their siblings during the dress rehearsal.

Has your child told you about our Kindness Elves (Button Mix and Candy Trix). They set us daily kindness challenges. It is so much fun. Could you please send in some spare change (1ps and 2ps) for our determination challenge? (This will not be returned)

You should have had a letter about Christmas Party Food. Let us know if not.

There will not be any Forest School now until February.
