

# Foundation Stage Newsletter Week 17<sup>th</sup> December

We are enjoying our 'gifts of kindness' tasks and finding out how we can please our class elves. We have really noticed a lot of kind behaviour around the foundation stage.

This week we will be reflecting back upon this half term and what we have enjoyed. We will share some comments with you via twitter and Facebook.

Our next theme is, "999 What's the emergency?"  
If you work for any of the emergency services, we would love it if you could come in to school to tell us about your role and answer some of our questions. Please see a member of staff to arrange a date for January or February
