Dear parent/carers,

We have been asked to support the Newark YMCA to help them gather opinions from members of the local community, of all ages, so that they can have their voice heard and to help shape a future programme of arts and creativity provision in the area. The YMCA are currently constructing a new facility, the [Community and Activity Village](#), which will provide workshops, courses, camps etc. in a range of activities, and they are keen to ensure that arts and creative provision is a large part of their offer. As a part of this process, and to make sure that curation is truly community-led, they want to hear from as many local residents as possible. The Village, whilst being constructed near Newark, will be a facility for the whole district, and there will be various outreach programmes on offer too. They are keen to enhance the provision for everyone, but especially for those in areas of current low provision and participation.

Please initially support and help this fantastic project by filling out their simple [online survey](#) Respondents will/can be entered into a prize draw too.

Thank you for your continued help and support.

Mrs Merrygold
Art and Design Co ordinator
