

Every year at Gapoutlet we organise a homeless clothes and food collection and many of you have supported us with this collection (Thankyou)

However this year we have a fabulous new collection— A SUPERFEMALE COLLECTION! 🦸🏻‍♀️

There's 2 parts to this collection——

We are collecting sanitary products for ladies, this is a growing issue throughout the uk and is part of the period poverty help.

Women and young girls are struggling to afford sanitary products under certain circumstances and some young girls miss out on school because of this issue.

So we are teaming up with the Trustwell food bank in Notts and Women's Aid to help make a difference!

Any donations will be greatly appreciated— all products donated must be in a sealed packet 🦸🏻‍♀️

We are also collecting bras! Any bras you don't want we will happily take them! We are working with 'smalls for alls' for this collection and sending our bra bundle to the much needed ladies in Africa (bras donated need to be of a decent standard) 🦸🏻‍♀️

So ladies if you could help support another lady in need this Christmas it would be massively appreciated 🙏🏻👩🏻👩🏻👩🏻👩🏻👩🏻👩🏻
