

Foundation Stage Newsletter Week 7th January

We would like to wish you all a very merry Christmas and a happy new year. The first term has flown by and the children have really impressed us with how hard they have worked, particularly with the High 5 challenges. In January, we will be insisting that every child completes the High 5 challenges and these will become increasingly more time consuming and thought-provoking. We will be introducing a GOLD lolly stick/challenge for any child that goes above and beyond to really challenge themselves. These will literally be like gold dust- only a few will be awarded each week. If your child receives a GOLD lolly stick, you will be told in person. We are already preparing for our next theme of, "999 What's the emergency?" and new homework tasks will be published on the website soon.
