## Foundation Stage Newsletter Week 14th January

The children are very excited about the GOLD lolly sticks. Has your child achieved one yet? Remember, these are like gold dust... we only award a few each week. If your child tells you that they have been given a gold lolly stick, you should be very proud as your child has been challenging him/herself.

Your child will bring the golden lolly stick home on Friday if they have been given one.
They can keep it forever.

Our new theme of "999 What's the emergency?" is proving a huge hit with the children. We have been acting out emergencies and exploring what an emergency is. The children have been busy exploring the new learning environment.

Please note that the homework for this half term is now on the website.
