

# Foundation 1 Homework

Spring 1 2019

Below are 4 homework challenges linked to our theme; **People Who Help Us** You can complete them at any time before **Friday 16<sup>th</sup> February**. Please bring any completed work in to show us or simply return this sheet with comments on the reverse when finished. (Print outs available from class teachers).

Don't forget, you could send images via email to teachers' email addresses found on our newsletter.

We are also looking forward to receiving more High 5 hands and finding out about your child's achievements at home.

## **SPEAKING Challenge**

Learn a new nursery rhyme together. Nursery rhymes are great for children to become more familiar with rhyming words and patterns in language. Have a practice and perform it to someone special. We would love to hear it!

You could do it in person or send us a video.

## **PHYSICAL Challenge**

The children have all been keen to share with the group all the great support and help that their family gives. Their challenge is to do 3 things to 'help' their family at home. This may be getting dressed themselves, tidying their room or helping with dinner.

## **WRITING Challenge**

We have had lots of visitors in Foundation and discussed their role in helping in an emergency, at home and at school. We will be showing our appreciation for their support in school. We would like the children to write a 'Thank You' card to someone special who helps at home.

## **CREATIVE Challenge**

We loved having the fire engine in to visit. We would like the children to create a model of a vehicle. The children can use whatever resources they have or can find. They could build their model from construction kits that they have at home (for example, Lego) or from recycled materials such as empty food boxes / cartons.
