

How much do we look after our body?

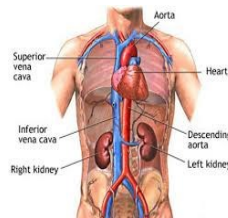

Bingo Homework

Here are your homework activities for our Healthy Human Body topic. Your work should be beautifully presented and in your own words, you cannot just copy and paste from the internet.
Please bring in by the last Tuesday 12th February

Create a 3D human body complete with either a digestive system, circulatory system, the major organs or including the main muscles or skeletal system.

Doodle Maths

Complete each weeks Doodle Maths set homework task to help build on learning in the class. Help your class earn some Doodle Stars—can your class be top of the leaderboard?

Produce a poster advertising healthy living. This could include diet, exercise, drugs, stress, sleep patterns etc. Why not base it around a character, such as a minion, bugs bunny or Ferdinand?

We are reading Pig-Heart Boy from Malorie Blackman this half-term. Can you find and read a different story written by this author? Why not visit the new Edwinstowe library (**opening on Saturday 26th January from 10.45am**) and hire books out from this author?

Write a discussion article on one of the following topics. Remember to consider the positives, negatives and then cite your own opinion in the conclusion. This could be word processed on a computer.

- Should swimming pools be free for under 16's to promote healthy living?
- Should the weekend be 3 days?
- Should mobile phones be allowed in school?

Can you fill in the table square?

X					
	32		40		
				49	
			22		
		15			27
			24		
				42	

The numbers 2 - 12 were used to generate it with just one number used twice.
