

Learning Challenge Questions
Theme: Dem Bones, Dem Bones
Year 3, Spring Term 1

NC Requirement:

Science:

Pupils will be taught to identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

Pupils will be taught to identify that humans and some other animals have skeletons and muscles for support, protection and movement.

WOW: Creating a working muscle model

LC1	What is a skeleton and what role does it play?
LC2	How do joints work?
LC3	What are muscles?
LC4	How does food get transported around the body?
LC5	What are nutrients?
LC6	How can we eat healthily?
