

Foundation Stage Newsletter Week 11th February

We had such a fantastic time this week and would like to thank our visitors. The children really enjoyed having a go on the blood bike and going in a police car. First hand experiences really bring our themes to life.

You may have noticed that we have a student supporting us in Foundation 2. Miss King will be with us until the end of the year. She already knows all of the children and the children are very much enjoying getting to know her.

If anyone is able to come and help out in Foundation Stage we would really appreciate any support. Please also remember to pay for your baking money on the School Gateway.
