Next week is Chinese New Year therefore we will be sharing the story and carrying out some related activities.

Remember to check out twitter, Facebook and your child's learning journey (EazMag) to keep updated regarding activities and experiences in school. The Box model fire engines in particular are a delight to see. The children will be bringing these home next week. We have been impressed with the children's ideas whilst carrying out this project.

Slots for parent's meetings are now available online. Please book an appointment.

This Week's 'High Five Challenges'

Respect

Explore the weighing equipment. How does each item measure weight?

Creativity

Choose a cutting skills activity sheet. These are varied to challenge all!

Determination

Use the chopsticks to serve up noodles. Great for fine motor skills!

Excellence

Rolling play dough hoses. Use longer/ shorter terminology.

Good Choice

Write labels onto image of an ambulance. How many can you add?
