

Foundation Stage Newsletter Week 18th March

Last week (STEM week) was a real eye opener. We learnt so much due to the new experiences thanks to Mr Purrington, our science coordinator. We hope you were able to see the fun we had via our Facebook and twitter pages.

Don't forget to check your child's EAZMAG online learning journey and talk about the images with your child to further support learning at home.

We are looking forward to the Foundation Easter Craft Event fundraiser this Friday. Please book your place/s via the Gateway.

Please keep sending in photos of your houses and the fabulous homework. These really stimulate some lovely conversations within school.

We still need parent helpers- even an hour of your support would be great.

Maths

3d shape properties

Diary dates

Friday 22nd March- Foundation Easter Craft Event fundraiser.

Tuesday 26th March- Librarian visiting EYFS

Tuesdau 30th April- Badaer Libraru Visit
