Dear Parent/Carers

***Please Note** that if you do not drive your children to school you can still support our initiative by completing the form below and ticking the box, then return it to school as soon as possible.

Congestion on the roads proves a risk to children and their families as they travel to and from school.

It is a parents responsibility to see their children safely to and from school. In doing so they should not create dangers for others.

In some cases we know that travelling in a car is the only suitable way to get to school. With this in mind, we ask you to park responsibly.

By signing the parking promise I am agreeing that I:

Will Not park or stop on the the SCHOOL KEEP CLEAR markings during the hours stated.

Will Not park on the double yellow lines, with the exception of displayed valid blue badge.

Will Not block the school entrances.

Will Not block the driveways around the school.

And

Will make sure the children get out of the car safely on the same side as the pavement.

Will park some distance away from the school walking a short journey, even in bad weather condntions.

Upon signing this contract I accept my responsibilities as a caring driver and I will also make sure that I park in a responsible manner in the area surrounding the school.

Please join us in supporting this initiative by signing the form below and returning it to school as soon as possible.

Thank you
