High Five

Following the school values: Respect, Creativity, Determination, Excellence and Good Choices children receive a sticker and a 'High 5'.

What an amazing start to this half term! We have lots of children finding their name card and writing it on whiteboards or in the messy play. Could we please ask that the children are then encouraged to get busy on one of the carpet areas. Once we have registered, the children will be able to explore the lovely activities we have out.

If you have any concerns or questions please feel free to have a chat with your child's key worker. You are also welcome to send an email:

Bedtime Stories

Reading a story before bed can be a great experience for all different reasons. Choose a favourite book and read it together by just using the pictures. We will be doing lots of this in school too.

Home News!

Please feel free to take a 'High Five' card, just by the door, to record any successes at home. This may be starting swimming lessons, writing their name or special family events. We would love to read them and display them on our High Five board.

Let's Talk

Our talking tip is: Expand on what your child says. "it's a blue car"
"Yes, I can see a blue car, I wonder if we can find another one?"

www.communicationtrust.org.uk
has lots of useful talking tips.

Parents Meetings

Thank you for everyone you has arranged a meeting, it has been lovely to share so many positive experiences with you. If you have not yet managed to meet your child's key worker, please come to make an appointment.

Our Theme

This half term our theme is Who's Afraid of the Troll? We will be retelling the Three Billy Goats Gruff story and creating some of our own tales.

We are so excited to be having Pinxton Puppets in. The children will be watching a show and take part in a workshop to create their very own puppets! This is a lovely experience for the children, if you can help out in anyway please speak to a member of staff.

Baking

The children love our baking sessions. So far we have made yummy toffee and banana cake, Pizzas and even tasted a selection of Chinese food. Thank you to everyone who has sent in their contribution which means we can continue to bake regularly.

Can you help?

If you work in a school or our community, linked to our theme and think you could come in share your story, please speak to your child's key worker.

Lets Get Creative!

Linked to our theme The Three Billy Goats Gruff we will be building a selection of bridges, large ones, small ones, bridges inside and outside. This will be to retell the story but also get the children's creative ideas flowing.

Have a go see what ideas you can up with as a family.
