Dear Parents / Carers

At KEPS we pride ourselves on offering a range of quality extra-curricular activities to engage all children no matter what their interests are. In recent times we have been able to offer new opportunities that may not have been traditionally accessed at KEPS before. To fund this we have used money from FOKE (Thank you FOKE ladies!) and subsidy from school funds.

This was never sustainable in the long term and we have now made the decision to offer all clubs at their cost price. For clubs such as Science Tots or Zumba, there is clearly a cost due to the outside provider that leads them. All of our permanent staff members have agreed to continue to offer their time and resources free of charge. This means that many of our clubs remain cost free and I am grateful that our staff continue to still offer this in a period whereby many school teachers and TA's in other schools have ended this voluntary provision.

Kind regards,
Mr A Callaghan Wetton
