

F1 May Newsletter

High Five

Following the school values: Respect, Creativity, Determination, Excellence and Good Choices children receive a sticker and a 'High 5'.

Welcome back!

Hopefully you have all had a lovely bank holiday weekend and it is great to see so many children who are definitely looking like they are getting ready for F2 in our Badgers' and Foxes class.

If you have any concerns or questions please feel free to have a chat with your child's key worker. You are also welcome to send an email:

rhart@kingedwin.notts.sch.uk

Lost Property

We are regularly collecting a large bag of lost property each half term; mainly cardigans. Feel free to have a look in the basket. Can we also ask that **all** items are named and they will be returned to you.

Home News!

Please feel free to take a 'High Five' card, just by the door, to record any successes at home. We have recently had a lot of these in, please feel free to see them on our High Five Board.

Let's Talk

Our talking tip is: If your child says a word that is unclear, the best way to help is to repeat the word using the correct sound. You do not need to get them to say it again.
(Communication Trust)

Forest School

We will be enjoying using the forest school area each Wednesday, please send your child to school wearing suitable clothing and footwear dependent on the weather.

Dates for diary

Friday 17th May

Ugly Bug Ball – dress up as a bug

Friday 24th May

Last Day of school

Our Theme

This half term our theme is Frogs. We will be creating bouncing frogs, reading books about minibeasts and singing 5 Speckled Frogs.

We have recently had some tadpoles in, it has been amazing watching the transformation.

During this theme we will be looking at rhyming based on the book Oi Frog! By Kes Gray and creating some of our own poems.

Baking

The children love our baking sessions. So far we have made cakes for selling, pizzas and fruit skewers with chocolate. We ask for a contribution of **£2.50** per term to support with buying the ingredients. This is available on School Gateway.

Can you help?

If you work in a school or our community, linked to our theme and think you could come in share your story, please speak to your child's key worker.

Number of the Week

We all love Numberblocks in Foundation!

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

Each number has a special song to learn all about it, the different ways to find that amount and also how the numbers link together. Each week we sing a different number song and then hunt for the number of the week or making that amount in the environment.
