

# Foundation Stage Newsletter Week 6<sup>th</sup> May

It has been an exciting week in Foundation. Our stick insects have now arrived. The children have been very keen to look at them and have had the opportunity to hold them.

You may also have noticed our tent at the bottom of the field. We have been lucky enough to have been donated a patrol tent. The children will be reading stories, taking part in role play and enjoying circle time in the tent.

## Question

How did the caterpillar change?

## Diary dates

**Tuesday 7<sup>th</sup> May**- Badger Library Visit  
**(NEW DATE)**

**Wednesday 8<sup>th</sup> May**- Forest School Event  
F1 and F2

**Friday 25<sup>th</sup> May**- Ugly Bug ball

## Maths

Using the vocabulary minus and take away.

## Forest school

Both classes will be doing Forest Schools on Wednesday after our Forest School Event.

## Phonics

Kipper Group: **sh** (ship), **th** (thin)

Chip Group: **recapping phase 3**

Biff Group: consonant blends sn (snap), sk (skirt), sc (scan)

## This Week's 'High Five Challenges'

### Respect

Using the THRASS charts and digraph/tri-graph charts to practise.

### Creativity

Using the hungry caterpillar to take away fruit.

### Determination

Writing about the lifecycle of the butterfly.

### Excellence

Buying and selling produce in the farm shop role play.

### Good Choice

Using the IWB to sequence the butterfly lifecycle.
