Dear Parents,

At King Edwin Primary School, we pride ourselves in providing our children and their families with timely updates and guidance regarding e-safety. Our collaboration with 'National Online Safety - NOS', Google Legends, NSPCC and E-Safety Day supports the ongoing drive to help our community stay safe online.

As part of our partnership with Laptopsdirect Ltd. We have secured 10 BullGuard internet security licenses that can each be used on three devices. These are to be used on any PC, Mac or Android system. Each card is worth up to £40 in value and we are very grateful to Laptopsdirect for providing them.

We would like to give the licenses away to any family that wish to have them and we will do so on a first come first served basis. Please contact the school office at 'office@kingedwin.notts.sch.uk' (via email only) by 15th May 2019 to be in with a chance of receiving one of the licenses.

If you have any concerns, worries or questions regarding how to keep your family safe online, or perhaps you simply don't feel confident with accessing the digital world- please contact us. Your children are learning all about new opportunities at school and we want to help our families in this new era of technology. We are happy to do so if families wish us to.

Kind regards,

Mr Callaghan-Wetton
