

F1 September Newsletter

High Five

Following the school values: Respect, Creativity, Determination, Excellence and Good Choices children receive a sticker and a 'High 5'.

High Five

We love to hear about your child's achievements at home. This may be learning to ride their bike, swimming badges or showing a High 5 Value at home. You can do this by using the High Five hands. These will be shared with the group and displayed on the wow board.

Welcome back to F1 it is lovely to see so many smiley faces back at school with lots of lovely stories about their adventures during the holidays.

A huge welcome to the children who have just started school. What an exciting time ahead! If you have any concerns or questions please feel free to have a chat with your child's key worker. You are also welcome to send an email: rhart@kingedwin.notts.sch.uk

Forest School

Our Wednesday Forest School sessions will begin in a few weeks. We will put a note in the classroom and send a message on gateway to confirm.

Parent Helpers!

Helpers in Foundation are always welcome. Either on a regular basis, for a special event or if you can help for our topic. Please talk to your child's key worker if you are interested.

Let's Talk

Go and explore an outside space, either a walk around the village, a visit to the park or forest or simply spend time together in your garden. Talk about what you can see, look for things that are hidden and encourage ideas of wonder. "I wonder why..." "I wonder how..."

Our Theme

We are starting our term getting to know each other and our new classroom. Our theme is “Who am I?” where we will be looking at what we were like as babies, who is special to us and using our senses. We will be exploring through our touch, smell, taste, listening and looking at familiar and unfamiliar things. If you can help with any of this please speak to your child’s key worker.

In the Classroom!

You are welcome to come into the classroom when you bring your child to school, we ask that you support your child to find their name card and write their name using a range of options. Then settle your child with an activity on the carpet. If you need support to say goodbye, we know it can be hard sometimes, just ask a member of staff to help.

All About Me!

Linked to our theme about “Who am I?” Can you create your own family tree. You can be as creative as you like. We will ask the children all about the people in their lives who are important to them. We would love to add your family tree to our Foundation Family Tree display.
