## Foundation 2 Newsletter Week 14th October 2019

All Foundation staff would like to say a huge well done to all our 'King Edwinners' on a successful first half term in F2.

After half term, we are looking for children coming into their classrooms independently. In this last week of half term, encourage your child to put their coats on their pegs, book bags in trays and water bottles in the correct place by themselves. Children can then join in the carpet activity to begin their school day. When the children return to school from their half term break, they will be expected to come into the classrooms by themselves. We can help make sure their belongings are in the correct place. If you have any messages for the teacher, you will still be able to pass these on at the door.

#### Theme

What makes me a King Edwinner?

## Question of the Week

What am I thankful for?
