

Foundation 2 Newsletter Week 23rd September 2019

The children have had yet another busy week and really enjoyed their treat on Friday from our baking activity. Each week we will be doing baking on a Friday. Your child will get the opportunity to take part throughout the year. In order for such activities to take place we ask if parents could contribute via the school gateway. This will enable us to buy the ingredients each week.

Last week we introduced the children to 'Lazy 8's'. We have been practising 'Lazy 8's' as the up and down, left and right curvy movements teach children how to make the same movements needed to form letters. In Foundation 2 the children will be learning to write in cursive handwriting (please see attached sheet).
