

# Foundation 2 Newsletter Week 4<sup>th</sup> November 2019

Thank you to everyone who attended our Harvest Festival. It's been a busy first half term and the children have come so far in such a short space of time. Your child will have come home with a brown paper bag as part of next half term's homework. We hope that you all have a lovely half term. We look forward to seeing what the children will collect ☺

It has been pleasing to see a number of children coming into the classroom independently this week. We will be building on this after the half term. Please help your child to come into school independently. Children should put their book bags in their trays and coats on their pegs.

After half term Science Tots after school club will be running on a Monday. There are limited spaces available. Please book on the school gateway.

## Theme

Where have all the leaves gone?

### Question of the Week

What can you see and hear at night?

## Phonics

This week in phonics we will be learning...

**Rr Hh Bb**

## Maths
