Dear Parent/Guardian,

Your child's annual flu vaccination is now due

School years - Reception, 1, 2, 3, 4, 5 & 6 (children born between 01.09.2008 and 31.08.2015)

Why vaccinate against flu?

Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu. The vaccine is given by a simple spray up the nose, it is painless, quick and side effects are uncommon.
